## Material Safety Data Sheet

---

**Cat. #:** PS103  
**Description:** FD eosin Y solution

### Information on Ingredients/Composition:

Contains eosin Y. Further information regarding ingredients, composition and the chemical identity of this material is being withheld as a trade secret of the manufacturer.

### Label Precautionary Statements:

Irritating to skin and mucous membranes. May be harmful by inhalation, skin absorption or if ingested.

### Handling and Storage:

Wear glasses and disposable gloves while handling this reagent. Wear appropriate protective clothing. Do not pipette by mouth. Avoid inhalation. Avoid contact with skin and eyes. Perform experiment in a properly functioning chemical hood, which is vented to the outside. Wash hands thoroughly after performing the test. Keep container tightly closed. Store at room temperature, preferably in a cool place.

### First Aid Measures:

In case of contact with skin or eyes, wash immediately with copious amounts of water and seek medical advice. If swallowed, wash out mouth with water and call a physician.

### Disposal Considerations:

Mix the material with a combustible solvent and burn in a chemical incinerator equipped with an afterburner and scrubber. Observe all federal, state and local environmental regulations.
