## Material Safety Data Sheet

---

**Cat. #:** PS104  
**Description:** FD Hematoxylin Solution

### Information on Ingredients/Composition:

Contains hematoxylin. Further information regarding ingredients, composition and the chemical identity of this material is being withheld as a trade secret of the manufacturer.

### Label Precautionary Statements:

May be harmful by inhalation or in contact with skin or eyes. May be toxic if swallowed or absorbed through skin. Prolonged exposure may cause damage to kidneys, liver or central nervous system.

### Handling and Storage:

Wear glasses and disposable gloves while handling this reagent. Wear appropriate protective clothing. Do not pipette by mouth. Avoid inhalation. Avoid contact with skin and eyes. Perform experiment in a properly functioning chemical hood, which is vented to the outside. Wash hands thoroughly after performing the test. Keep container tightly closed. Store at room temperature, preferably in a cool place.

### First Aid Measures:

In case of contact with skin or eyes, wash immediately with copious amounts of water and seek medical advice. If swallowed, wash out mouth with water and call a physician.

### Disposal Considerations:

Mix the material with a combustible solvent and burn in a chemical incinerator equipped with an afterburner and scrubber. Observe all federal, state and local environmental regulations.
