## Material Safety Data Sheet

---

**Cat. #:** PS108  
**Description:** FD Congo Red Solution™

### Information on Ingredients/Composition:

Contains congo red (CAS# 573-58-0) and denatured alcohol (formula 3A-95). Further information regarding ingredients, composition and the chemical identity of this material is being withheld as a trade secret of the manufacturer.

### Label Precautionary Statements:

FLAMMABLE LIQUID & VAPOR. Toxic. Poison and may be fatal or cause blindness if swallowed. Probable Carcinogen (US). May cause cancer. Possible risk of harm to the unborn child. Toxic and harmful by inhalation or contact with skin.

### Handling and Storage:

Wear glasses and disposable gloves while handling this reagent. Wear appropriate protective clothing. Do not pipette by mouth. Avoid inhalation. Avoid contact with skin and eyes. Perform experiment in a properly functioning chemical hood, which is vented to the outside. Wash hands thoroughly after performing the test. Keep container tightly closed. Store in a cool and dry place. Keep away from heat, sparks and flame. Keep away from all sources of ignition.

### First Aid Measures:

In case of contact with skin or eyes, wash immediately with copious amounts of water and seek medical advice. If swallowed, wash out mouth with water and call a physician immediately.

### Disposal Considerations:

Burn in a chemical incinerator equipped with an afterburner and scrubber. Observe all federal, state and local environmental regulations.
